Thank you for your interest in The Cliffs! We've streamlined our application process to make it easier for you.

Here are two convenient ways to submit your application:

Option 1: Mobile Device QR Scan

Simply open your mobile device's camera or QR scanner and scan the QR code below. This will instantly direct you to the resident application on your phone, with no additional codes needed. Plus, it will automatically create a Resident Portal for you.

Option 2: Fill Out Application Online with Apply Codes

Visit <https://resident-portal.kmcmh.com> and enter the following credentials:

- Apply Number: 116
- Apply Code: 116qrs

This process is similar to Option 1 but requires codes. It's ideal for desktop and laptop computers and will also generate a resident portal for you.

Choose the option that works best for you, and we look forward to welcoming you to The Cliffs community!
